OFFICE ORDER

All Head of the Department are herewith informed that the student mentoring responsibilities are to be allotted to the individual faculties of your department for mentoring not more than 20 students per faculty of your department.

Head, Basic Sciences & Humanities Department will assign the mentoring responsibilities for first year students to his faculties.

Concern mentor has to take the frequent review of the issues related to individual students and report to HoDs. During the Principal meeting, HoDs will give the brief summary to the Principal.
